

Attention: Motocross, Enduro and Hare Scramble Riders

The first event of the 2013 season will be held Sunday December 30, 2012 at the Valley Trail Riders Club grounds in Bentley, Michigan. The VTR will be hosting three Winter Trail Rides this winter. The first will be held December 30, 2012. The second will be held on January 27, 2013 in conjunction with the AMA district ice races. The third event will be held on February 10, 2013. These winter trail rides will be run on existing trails of approximately 5 miles in length. There are studded and rubber classes, MX, Enduro, and HS riders will find these courses fun and a good time to try out any new equipment before the spring weather brings the start of the regular season events. For the safety of the riders an EMT will be present during the event. Course Marshals will be roaming the course so any disabled riders will be assisted as soon as possible. The VTR concession stand will have coffee, hot chocolate and donuts in the morning, with hotdogs, sloppy joes, and hot soup available during and after the event.
